COVID-19 Measures
(last update: 7/11/2022)

Measures imposed by the authorities in response to virus epidemics such as COVID-19 may jeopardise the holding of the event or necessitate drastic organisational changes. We are providing up-to-date information on the possible consequences for organisers and participants regularly on the event website (https://www.leibniz-integrierte-erdsystemforschung.de/en/mainnavigation/veranstaltungen/iesr-conference2022).

Participation in the face-to-face event is only possible if the applicable hygiene measures at the conference venue are accepted and adhered to.

We recommend a test beforehand and the wearing of a mouth-nose covering during the event.

The corona measures in Brandenburg from 26.10.2022, valid until 24.11.2022 can be found here: https://bravors.brandenburg.de/verordnungen/sars_cov_2_ifsy.

Test centre in Potsdam can be found here:
- https://coronatest.de/teststation-potsdam-hauptbahnhof/
- https://testtermin.de/humboldt-apotheke-14473-potsdam
- https://covid-testzentrum.de/potsdam-2/
- https://www.schnelltestpotsdam.de/ (Test centre Kutschstallhof)

Switching participation from ‘in presence’ to ‘online’ or vice versa requires consultation with the conference organisers due to organisational reasons (see below).

The conference organisers may be contacted for urgent requests via the following Email address: lrn-iesr@ioer.de.

We wish you Good Health!
